

Swafega® Skin Safety Cradle

Protect, Cleanse & Sanitise Skin Care System

PRODUCT DESCRIPTION

Complete 3-step skin care system to protect, cleanse & sanitise the skin. Ideal for mobile vans, work cabins and other areas of limited space.

WHERE TO USE

Vehicles and work cabins where space is limited or water supply is not available

INSTRUCTIONS FOR USE

Protective Cream - Ensure skin is clean and dry. Apply small amount to the back of hands first and rub in well, paying particular attention to between fingers and around nails. Re-apply before each work period or after washing hands.

Hand Cleaner - Apply at the end of each work period, or more frequently if required, to remove general soilings, such as oil, grease and general dirt and grime. Can be used with or without water. If water is not available for rinsing, wipe away with clean cloth or paper towel.

Skin Sanitiser - Ensure hands are visibly clean and dry. Apply 1-2 shots (1-2ml) & then rub hands for 30 seconds until dry.

Actual Cradle Size : 350mm wide x 335mm high x 115mm deep

FEATURES	BENEFITS
Colour Coded	Simple, colour coding identifies product for correct usage.
Compact	Easy to install into a limited space.
Minimal wastage	The cartridges are designed to collapse to minimise product waste.
No maintenance	No mechanical parts, pumps are 'built' into each cartridge.
Highly Durable	Cradle manufactured from tough, robust styrene plastic and brackets from impact resistant ABS plastic
Wipe-Clean Surface	Easy to keep clean.
Economical	Cartridges deliver a measured dose to control cost-in-use; up to 750 applications per cartridge.
Hygienic	Sealed cartridges prevent contamination & cross-infection.
Convenient	Ideal for situations where no water is available.
