MANAGEMENT

Walsh – Blyth & Turton manage your accounts from our base in Manchester and despatch your orders from our 100,000 sq ft capacity Wholesale Warehouse in South Wales.

On site we have retail packaging machinery, labelling machinery and a packaging preparation area to put everything together for you. We offer a full range of delivery options from a single box to larger bulk consignments. To keep things running smoothly we have a finely tuned account management process in place and information reporting systems to help you keep track.

ACCOUNT MANAGEMENT

Our industry experienced field sales managers work closely with our customers to extend the highest level of support. They are able to assist with technical support, product selection, range development and packages to develop your sales of PPE and workwear.

INFORMATION REPORTING

We offer a suite of reporting tools which provide detailed analysis of sales and products by customer. These reports can be used to review and plan future activity.

Features include...

» Purchases by month
» Top product usage
» Segment sales analysis
» Service level and statistics

CUSTOMER SERVICE

We have a dedicated team providing all our clients with a first class service which ensures that you receive the right product, on time, every time.

Long standing relationships with all the major brands mean we are able to draw on extensive support, knowledge and expertise.

"Along with his excellent customer service skills, our representative has always displayed a high degree of integrity, responsibility and dedication"
